RE: ADVANCED TRAINING COURSE FOR POLLUTION CONTROL OFFICERS:
ENVIRONMENTAL PERMITS AND PERMITTING PROCESS

ATTENTION: TO ALL POLLUTION CONTROL OFFICER/s OF REGION IV-A

Dear Sir/Madam,

We would like to invite your Pollution Control Officers/s and Environmental Staff to attend the Advance Training Course/s conducted by PCAPI Region IV-A Chapter, the designated and recognized training institution of DENR-EMB Region IV-A (CALABARZON Region).

These Advance Training Courses are part of PCO's continuing education and orientation programs in upgrading their capabilities in managing your company's environmental compliance and keeping abreast with recent environmental laws and regulations. Furthermore, this requirement is in line with the implementation of DA0-2014-02 (Revised PCO Accreditation Guidelines).

The attendance to these Advance Training Courses shall be equivalent to **sixteen (16) accredited training hours** which may be used as part of the required training hours for PCO Accreditation.

Very truly yours,

Noemi A. Paranada
Director, DENR-EMB Region IV-A

ATTENTION : APPOINTED/DESIGNATED POLLUTION CONTROL OFFICER/s

**RE : ADVANCED TRAINING COURSE FOR POLLUTION CONTROL OFFICERS:
 ENVIRONMENTAL PERMITS AND PERMITTING PROCESS**

Dear Sir/Madam:

The Department of Environment and Natural Resources – Environmental Management Bureau, CALABARZON Region and the Pollution Control Association of the Philippines, Inc. Region IV-A will jointly conduct an “Advance Training Course: Environmental Permits and Permitting Process” on January 25-26, 2018 at the Splash Mountain Resort and Hotel, Km 58, Brgy. Lalakay, Los Baños, Laguna.

The program will be most beneficial to PCOs and other professionals who are currently working as mid-level managers, administrators, and technical personnel of a proposed project or in a newly established/expanded facility. The training aims to (i) define the various environmental permits necessary for various types of projects; (ii) understand the conditions set forth in existing permits; (iii) discuss the process of securing the environmental permits, including case procedures on exemptions, amendments and violations; and (iv) familiarize in the process flows in accomplishing the forms and the documentary requirements in applying for common environmental permits. Training fee shall be at the following rates:

LIVE-IN	LIVE-OUT
PHP 7, 300.00 (NON-MEMBER)	PHP 5, 800.00 (NON-MEMBER)
PHP 7, 000.00 (MEMBER)	PHP 5, 500.00 (MEMBER)

**Inclusive of meals (Live-in rate includes breakfast and dinner, lunch, morning and afternoon snacks; while Live-out rate covers lunch, morning and afternoon snacks), training materials, electronic copies of presentation materials and PCO's training certificate. Slots are limited, and registration is on a first-come, first-served basis.*

Please click link: [REGISTER ONLINE](#)

For additional queries, kindly contact: PCAPI Region IV-A Secretariat Office (0917-814-4751 / 0998-534-7850); Tel. No.: 049-5011706) / E-mail Address: pcapi.calabarzon@gmail.com.

Thank you very much and we look forward to see you at the Training!

Very truly yours,

Noted by:

PCO ADVANCE TRAINING COURSE: ENVIRONMENTAL PERMITS AND PERMITTING PROCESS

WHY ATTEND THIS TRAINING?

It is important for the managers, owner-proprietors and most especially, the pollution control officers to **understand the environmental permits** that the company needs to help them manage environmental compliance. The lack of understanding of procedures of securing environmental permits often times lead to violations, fines and penalties. Knowing the required permits as prescribed in the implementing rules and regulations of the environmental laws, the application process and procedures can help to **ensure compliance in a timely and in a cost-effective manner**.

Schedule:

January 25-26, 2018

Venue:

Splash Mountain Resort and Hotel, Km 58. Barangay Lalakay, Los Baños, Laguna

Duration:

Training: 2 Days

THE TRAINERS

PCAPI 4A believes that PCOs learn most effectively from other PCOs. Thus, seasoned and expert PCOs will serve as trainers of the course. They are engineers and environmental management executives who have more than 15 years of relevant experience dealing with the DENR-EMB, they have served as consultants to the formulation and enhancement of the implementing rules and regulations of the environmental laws of the Philippines and they have more than a decade of training PCOs in Region 4A and across other regions in the country.

WHO SHOULD ATTEND?

The program will be most beneficial to PCOs and other professionals who are currently working as mid-level managers, administrators, and technical personnel of a proposed project or in a newly established/expanded facility. It will be especially useful to individuals who routinely implement projects. Young professionals who intend to work as environmental practitioners/consultants may also find this program beneficial.

For the full course details, please email pcapir4a@yahoo.com.

COURSE OBJECTIVES

At the end of the training, the participants shall be able to:

- Define the various environmental permits necessary for various types of projects
- Understand the conditions set forth in existing permits
- Discuss the process of securing the environmental permits appropriate to their types of projects, including case procedures on exemptions, amendments and violations
- Familiarize in the process flow/steps in accomplishing the forms and the documentary requirements in applying for common environmental permits.
- Course Material: PCAPI-4A Environmental Permitting handbook
