Dear Co-PCOs and Environment Managers,

Greetings!

Pollution Control Assn of the Philippines (PCAPI) Region 4A Chapter, the largest group of Pollution Control Officers (PCOs) in the Philippines, is presenting “Women’s Month Celebration” on March 16, 2018 at Acacia Hotel in Alabang. This will be our 3rd year holding this event, where we’ll present valuable topics by amazing speakers to share to PCOs and Environment Managers and Practitioners, and celebrate the works and growing contribution of women in the field of environment.

This unique gathering of PCOs and Environment Managers aims to celebrate the works and growing contribution of women in the field of environment. As in the past two years, we will have a short program with relevant topics we hope to inspire both female and male colleagues. We will be joined by a amazing lineup of professionals who will be sharing their practice in the fields of pollution control, women’s rights and welfare, safety and health.

There will also be an exhibit of various products and services for our co-PCOs. Special tokens of appreciation also await our active PCAPI R4A members as well.

A discounted rate of P500.00 will be given to first 50 paying participants. Regular fee of P1,000.00 shall apply to participants registering past the set number. Morning refreshments and lunch will be served. Pre-registration and confirmation is required. Kindly please fill up the [Registration Form](#) to reserve a seat.
