ATTENTION: POLLUTION CONTROL OFFICER/s and/or MANAGING HEAD/S

Warm greetings from PCAPI Region IV-A Chapter!

The Pollution Control Association of the Philippines (PCAPI) Region IV-A Chapter in coordination with the DENR - Environmental Management Bureau (EMB) Region IV-A will hold its **5th Biennial PCO Summit** on **11 October 2019** at the **Twin Lakes Hotel, Tagaytay-Nasugbu Highway, Laurel, Batangas**.

As in the past biennial PCO Summits, we have gathered topics – new and recurring - that are relevant to our practice as PCOs. We hope to touch base on the core issues discussed in the immediate past Summit, how these remain to be relevant to PCO work and industry compliance and how regulators have progressed from the feedbacks forwarded to them. Similarly, we shall intend to submit our position to any relevant policies to voice our views on any policy and/or its/their implementation.

We hope you could join us in this one day full of gathering and expounding of ideas, knowledge exchanges and solutions demonstration. PCAPI 4A's 5th PCO Summit will be highlighted by plenary sessions and environmental services exhibition. Convention fee shall be as follows:

CONVENTION FEE				
PCAPI R4A Member	P4,000.00/pax	Rates are inclusive of meals, convention materials, and		
Non-Member	P4,500.00/pax	convention certificate		

For pre-registration and reservation details, please click the link on the right (<u>ONLINE REGISTRATION</u>). To check membership activation, please refer to attached list (PCAPI 4A LIST OF ACTIVE <u>INDIVIDUAL</u> AND <u>INSTITUTIONAL</u> MEMBERS). For additional queries, kindly contact: PCAPI Region IV-A Secretariat (0917-814-4751 / 0998-534-7850); Tel. No.: 049-5011706) / E-mail Address: pcapi.calabarzon@gmail.com.

Thank you very much and we look forward to see you at the Summit!

Very truly yours,

CAMILO A. TO ENTINO
Convention Chairman

3Rs on Environmental Policies Recap, Review, Respond

Learning Objectives:

- 1. To reiterate the points discussed and position/s gathered during the past PCO Summit, and evaluate how they were addressed by concerned government agency/ies.
- 2. To give regulatory updates on pollution control, environmental management and PCO compliance; and
- 3. To solicit feedback from PCOs regarding regulatory requirements and updates; and collectively craft and deliver a position to represent common views on relevant policies affecting PCO practice and compliance to environmental laws by industries.
