

3Rs on Environmental Policies
Recap, Review, Respond

Learning Objectives:

1. To reiterate the points discussed and position/s gathered during the past PCO Summit, and evaluate how they were addressed by concerned government agency/ies.
2. To give regulatory updates on pollution control, environmental management and PCO compliance; and
3. To solicit feedback from PCOs regarding regulatory requirements and updates; and collectively craft and deliver a position to represent common views on relevant policies affecting PCO practice and compliance to environmental laws by industries.
