

POLLUTION CONTROL ASSOCIATION OF THE PHILIPPINES
REGION IV-A CHAPTER, INC.
PCOs helping PCOs

February 26, 2025

ATTENTION: APPOINTED/DESIGNATED POLLUTION CONTROL OFFICER/s
RE: PCO ACCREDITATION TRAINING COURSE
(EMB-Prescribed Module, CATEGORY A & B PCOs)

Dear Sir/Madam:

The Pollution Control Association of the Philippines, Inc. Region IV-A will conduct a **"Onsite / Face to Face (F2F) Basic Accreditation Training Course for Pollution Control Officers"** on **May 27-31, 2025**, at Hotel Kimberly Manila, 770 Pedro Gil St, Malate, Manila, 1004 Metro Manila. This course offering is in line with the 40-hour training requirement for the PCO accreditation of designated PCOs, as stipulated in the DENR Administrative Order (DAO) 2014-02 (Revised PCO Accreditation Guidelines). Taking effect on March 3, 2014, this DAO requires (a) newly appointed PCOs to get accredited, and (b) previously accredited PCOs to renew accreditation, every three (3) years.

This Training aims to develop the capacity of Pollution Control Officers (PCOs) in performing their functions, duties and responsibilities using accelerated learning techniques based on actual experiences and best practices. Upon completion of the course, the designated PCO can apply for accreditation using the certificate of participation of this training. In this regard, we would like to invite your Company to send your designated PCO for accreditation with the EMB. Training fee shall be at the following rates:

LIVE-IN RATE*	LIVE-OUT RATE
PHP 24,500.00 (NON-MEMBER)	PHP 16,500.00 (NON-MEMBER)
PHP 23,765.00 (MEMBER)	PHP 16,005.00 (MEMBER)

*Rates are inclusive of meals**, training materials, electronic copy of presentation materials and training certificate.*

****Live-in rate** includes breakfast and dinner, lunch, morning and afternoon snacks and accommodations (*3 pax room sharing);

****Live-out rate** includes lunch, morning, and afternoon snacks.

SLOTS ARE LIMITED, AND REGISTRATION IS ON A FIRST-COME, FIRST-SERVED BASIS.

For the safety and comfort of all our guests and in compliance with the authorities in our area, we respectfully request ALL GUESTS PRESENT PROOF OF FULL VACCINATION STATUS to our attendants who will greet you upon arrival.

For pre-registration and payment details, visit the **ONLINE REGISTRATION** thru this link:

For additional queries, kindly contact: PCAPI Region IV-A Secretariat Office (0917-814-4751 / 0998-534-7850)

E-mail Address: pcapi.calabarzon@gmail.com. Thank you very much and we look forward to see you at the Training!

Very truly yours,

Rasmlah M. Malixi, EnP.

President, PCAPI Region IV-A Chapter

INCLUDES NEW MODULES ADAPTED FROM EMB-PRESCRIBED SYLLABUS

BASIC ACCREDITATION TRAINING COURSE FOR POLLUTION CONTROL OFFICERS (PCOs)

PROGRAM OVERVIEW

Capability building for new Pollution Control Officers (PCOs) to understand and implement the provisions of the five (5) basic environmental regulations; environmental management and monitoring; environmental permitting; sampling and analysis; documentation and reporting; and the PC responsibilities.

LEARNING OBJECTIVES

This training aims to develop the capacity of Pollution Control Officers (PCOs) in performing their functions, duties and responsibilities using accelerated learning techniques based on actual experiences and best practices.

Specifically, at the end of the 40 hours training, the participant shall have:

- Have a deeper understanding and appreciation of the environmental situation and be able to relate the importance of compliance to environmental laws covered in this training.
- Have learned the salient features and gained insights on the Framework of Philippine Environmental Regulations and understood compliance requirements of its environmental laws (PD 1586, RA 9003, RA 9275, RA 8749, RA 6969).
- Identified the required and applicable permits/ clearances applicable to one's operations.
- Be able to identify situations to avoid, that which could warrant violation actionable by the Pollution Adjudication Board (PAB)
- Learned the do's and don'ts of environmental sampling on air, water and soil.
- Identified reportable environmental incidents, identified methods to use for environmental cases investigations, and practiced preparing an Incident report using EMB-prescribed form
- Understood the roles, functions and values of a PCO and identified the requirements for PCO Accreditation stated under DAO 2014-02.
- Gained knowledge and practiced preparing EMP/ EMoP.
- Gained knowledge and practiced preparing CMR and SMR
- Have gained insights from best practices of PCOs and related allied-industries in the field of environmental management and pollution control.

WE PLANT. WE NURTURE. TOGETHER.

PCAPI-R4A is proud to collaborate with trailblazing and reputable partners for our reforestation efforts towards more sustainable success for forests and communities in selected areas in CALABARZON.

Starting in 2021, we supported the planting and growth of 2,323 indigenous trees in Real, Quezon and Antipolo, Rizal by adopting more than 1 hectare of forest through our partners Haribon Foundation and Fostering People's Education, Empowerment and Enterprise (FPE3).

Choose PCAPI-R4A. Together we can do more!

PAWIKAN PROJECT

In partnership with Brgy Labac & NAIC, CAVITE MENRO

Annual Support for NAIC Menro / Brgy Labac and other coastal brgy to help conserve the Nesting area and Hatching Project for Pawikans

50,000 Php / year worth of supplies (net, flashlights, tent, etc.) needed for Pawikan Patrol Group and for Conservation Initiatives in the area to be given every August for the next 10 years with Annual Review of the board considering organization's financial status.
